LSE e-Exam Permitted Keyboards for Tablet Devices

Below are examples of permitted and not permitted keyboards for tablet devices for e-Exam enabled exams. Any keyboards which become integrated with the tablet (e.g. magnetic keyboards) are permitted. Any keyboards which are wireless/Bluetooth or attached by cables are **not** permitted. Please check that your device meets all other requirements which are listed here.

Permitted	Not Permitted

If you have a documented medical, physical or mental health condition and/or a specific learning difficulty and therefore need additional equipment, please contact the Disability Wellbeing Service (DWS) to apply for CEAs or to update your current CEAs.
