1st Year Academic Mentoring Resources

This page will be used to post any useful resources related to Academic Mentoring in your first year. You will be able to find slides and materials from our Compulsory Large Group Academic Mentoring Sessions and other relevant supporting resources.

My name is Paulette Annon and I am your academic mentor for Year 1. I will be looking after your pastoral and academic needs of first year, as well as those of our international exchange students who are with us for a semester, as well as running a number of workshops throughout each term, where attendance will be compulsory. I will also be monitoring attendance, so will be getting in touch with you if this raises a concern. I am keen to welcome student-led initiatives, so if you are interested in becoming a Buddy to new first years in 2023, or would like to join a Peer Study Group, please let me know.

You can make an appointment to meet with me [here](#). These can be in-person appointments in the MAR 4.09, or online via [Teams](#). You can also email me through our shared email address: dom.academicmentors@lse.ac.uk.
