Why should the EI represent the LSE at the upcoming High Level Political Forum (HLPF) on the UN Sustainable Development Goals (SDGs)?

- Diversity of experts on the European Union and its interactions in a global governance system
- Innovative theoretical frameworks and leadership in research on Europe
- Influence and experience in key EU institutions working towards environmental sustainability, democracy, and social equality
- Volume of policy-oriented research in the governance of labour markets, human rights, institutional capacity, and global justice

2 UN SDG Goals

8  
DECENT WORK AND  
ECONOMIC GROWTH

Target 8.1: "Achieving sustained economic growth in the least developed countries, with a target of at least 7% annual GDP growth"

Target 8.5: "Promoting decent work for all individuals, focusing on achieving full and productive employment, particularly for marginalised groups such as women, youth, and persons with disabilities."

16  
PEACE, JUSTICE  
AND STRONG  
INSTITUTIONS

Target 16.6: Develop effective, accountable and transparent institutions at all levels

Target 16.8: Broaden and strengthen the participation of developing countries in the institutions of global governance
