### Important information about Federal Loan eligibility for the MPA Programme

The MPA programme is a 2-year programme with an option to apply to spend the 2<sup>nd</sup> year of your degree at one of the LSE's global partners. If you intend to study abroad for the 2<sup>nd</sup> year of your MPA the programme will become ineligible for Federal Aid for both years.

If you are intending to study both years at the LSE, the programme will be eligible for Federal Aid for both years.

You will not be allowed to change your programme pathway at the LSE if Federal Aid has been originated and disbursed in year 1 of your programme.

I understand that I will be required to return Federal Aid funds disbursed should I change my pathway in year 2.
