

CDR cycle timeline: PS Staff consolidated version

Wrap up your year by uploading your completed CDR form for the year to the HR system by 31st July

Agree performance standards for the new cycle with your line manager and agree any desired development plans

Attend your end of year review meeting, discuss progress, give feedback to your manager and share your thoughts on the year. Complete your form together

Once you and your manager have added comments and are happy with your final form, upload it to the HR system by 31st July

July

August/September

July I

July II

Touch base on performance, development and wellbeing throughout the year
