

Now that you have your final shortlist, you will need to use the e-Recruitment System to invite candidates to attend interview.

This guide has been created to help you navigate the e-Recruitment System when **inviting candidates to attend interview**.

Getting Started:

Step 1. To begin you must ensure that all candidates you wish to invite to interview, have been moved to the **Invite to Interview** stage on the e-Recruitment System.

Step 2. On the dashboard, Click on the **+** next to the vacancy you want to send interviews for.

	LSE Fellow in International Development	Not Live	Interview	01/10/2023	125	125
--	---	----------	-----------	------------	-----	-----

Then click on the stage **Invite to interview**.

Step 5. You now need to create your interview slots. The two red boxes below are those you should use to create your slots and interview schedule.

Prior to undertaking these steps, you should have your schedule time and dates already in mind.

You can opt to create each slot one by one, or create all slots at once.

Click on 'Show all locations' to select the interview location.

Once you have selected your slots, you should click **Add Interview Slots**.

Create New Slots Create interview slots on multiple days at a time, specify dates and times and durations.

Select the dates that you would like to create interview slots for. You can create slots on multiple days at a time. Then select the start and end times of the interview slots occurring on each day. Select how many slots will occur in that time range and how long each slot will be. Specify if any gaps will occur between the interview slots, as well as the location of the interviews.
