

LSE Pay Framework - 1 March 2025

SALARY BANDS 1 - 10

This pay spine reflects the LSE Pay Framework following the national pay award applied in March 2025. This pay spine applies to all salaried staff except for academic staff, research staff and ECT staff who have transferred into the New Academic/Research/Education Career Structure. The pay spine also reflects changes as a result of the School's Financial Reward Package effective August 2024. As part of the Financial Reward Package, prior to the implementation of the national pay award, each salary scale point was adjusted by a consolidated £1,300 increase.

When the LSE Pay Framework was introduced in 2006, London Allowance was consolidated into these salary figures. It is no longer shown separately and pay awards are applied to the whole salary.

Salary Bands 1 to 8 each have a Standard Range and a Contribution Range as shown. Annual incrementation applies within the Standard Range only.

The annual incrementation date is usually on 1 August. On this date, if members of staff have a salary below the maximum of the Standard Range for their salary band, one increment shall be awarded unless i) members of staff were appointed or promoted after the preceding 31 January in which case only half an increment will be awarded or ii) members of staff are already only half an increment below the standard maximum in which case only half an increment shall be awarded. NB One increment is equivalent to an increase of 1.0 in Step (eg on Salary Band 6 a move from Step 24.5 to Step 25.5).

Progress to and within the Contribution Range of each salary band is contribution-related. (Bands 9 and 10 do not have Standard Ranges; all progression is contribution-related.) Guidance on contribution pay processes for all staff can be found on the HR website.
