LSE Pay Scale - February 2023
New Academic Career Structure / New Research Career Structure / Education Career Track

This pay spine reflects the LSE New Academic Career Structure (NAC), the New Research Staff Career Structure (NRSC) and the Education Career Track (ECT) following the national pay award update to be applied with effect from 1 February/1 August 2023. This applies to all staff who have opted into the NAC, the NRSC or the ECT.

When the LSE Pay Framework was introduced in 2006, London Allowance was consolidated into these salary figures. It is no longer shown separately and pay awards are applied to the whole salary.

Progress within the salary band is contribution-related.
