

Course Selection and Timetabling Change Programme- 2 Projects

**Project 1: Curriculum Management Project- GO
LIVE 26TH SEPTEMBER**

**Project 2: Course Selection and
Timetabling- coming soon...**

New Curriculum Management Capabilities will allow the School to address Course Selection and Timetabling issues

Curriculum Management: What's Changing?

| New System | Where Information is stored | New Course and Programme Proposals | DTC Decisions | Annual Course Guides |
|---|---|--|---|---|
| <ul style="list-style-type: none">• Akari will be used instead of CAPIS• Legacy technology and processes are out of Date | <ul style="list-style-type: none">• Information will be stored in one place-Akari• No back and forward emails between dept/central teams | <ul style="list-style-type: none">• No changes to how departments manage process however there could be word template to enter initial information | <ul style="list-style-type: none">• Will be entered into Akari• Will go to Central Support Teams for review and approval- start workflow• This will replace word forms and emails | <ul style="list-style-type: none">• The process will be the same, but entered via Akari• The timing will remain the same |
