Prerequisite Requirements and Mutually Exclusive Options

means there may be prerequisites for this course. Please view the course guide for more information.

The [Bologna Process](#) facilitates comparability and compatibility between higher education systems across the European Higher Education Area. Some of the School's taught master's programmes are nine or ten months in duration. If you wish to proceed from these programmes to higher study in EHEA countries other than the UK, you should be aware that their recognition for such purposes is not guaranteed, due to the way in which ECTS credits are calculated.

Accreditation:

MSc Accounting and Finance is an Association of Chartered Certified Accountants (ACCA) Accredited Programme from 1 January 2024 to 31 December 2028.

Note for prospective students:

For changes to graduate course and programme information for the next academic session, please see the [graduate summary page for prospective students](#). Changes to course and programme information for future academic sessions can be found on the [graduate summary page for future students](#).
