Register with a doctor

You have various choices about how to access medical care while at university. If you are an EU resident, please check the healthcare section on lse.ac.uk/ISVA/IEU for the most up to date information.

If you are a full-time international student enrolled on a programme lasting six months or more, you may be eligible for NHS treatment once you have paid the immigration health surcharge. Visit www.gov.uk/healthcare-immigration-application for more information.

What medical care is available?

If you are unfamiliar with the NHS, you can do an online search for "NHS services explained". This will provide you with an overview of common services e.g. pharmacies, hospitals, eye care and dental surgeries and how to access them.

You are usually required to register with a local General Practitioner's (GP) surgery before you can book an appointment. You should register as soon as possible and not wait until you're unwell. Visit lse.ac.uk/studentHealth for more details.

How do I register with a GP?

- Find your local surgery**
The NHS typically requires you to select a local GP within your postcode catchment area. Some GP practices will register patients who live outside of their traditional catchment areas for greater convenience. To choose a GP and find their contact details, visit www.nhs.uk
- Ask if your preferred GP is accepting new patients**
You can find out the procedure for registering at the surgery.
- Prepare any required documentation**
You may need:
 - Proof of your identity eg. your passport or driving licence
 - Your visa, if applicable
 - Evidence that you are a student (see 'request student status documentation')
 - Proof of your UK address.

! Top Tip!
GPs can charge different fees for additional services like writing medical letters, which you might need later. Ask them about their prices before you register!

- Updated profile pages, including a student directory
- Join our Get it done session, or find guidance on the Student Hub Knowledge Base
admin.studenthub.lse.ac.uk/support/knowledge-base

The image shows two screenshots from the Student Hub. The article is dated "Updated 12th October 2022" and includes a table of contents with sections: "Personalising Student Hub calendars", "Creating custom audiences", and "Adding events to students' calendars". The main text explains that users can add calendar events to specific student groups, such as third-year students in the Department of Management or all students on the BSc Geography with Economics programme. It details two steps: creating a custom audience and adding the event. The right screenshot is a mobile app interface showing a "News Feed" with a search icon, navigation tabs for "All", "News", "Depts", and "Services", and a featured article from "London School of Economics and Political Science" dated "6 days ago". The article features a photo of a yellow school bus on campus and is titled "What's on campus today?!". Below the photo, it encourages users to get involved in "Mental Health Awareness Week" and lists activities: "Table tennis - 10am-4pm, Library Plaza" and "The Zen Project bus for mindful sessions - 10am-5pm, CBC Square". At the bottom, there is a navigation bar with icons for "News feed", "Calendar", "Bookings", "Notifications", and "Menu".

UG & GC personal timetable publication dates

Continuing Students

From 10am Tuesday 19 September 2023

New UG & General Course students

From 10am Friday 22 September 2023

Reasons why student can't see personal timetable after above publication dates:

- They have not enrolled/ re-enrolled at LSE for 2023/24 academic year.

- They have selected courses that creates a clash on their timetable

*Students need to wait 24/48 hours after making a course change for timetable to update.

PGT personal timetable publication date

PGT students' personal timetables are generated, from **10am Thursday 21 September 2023**, once course selection opens. The time between course selection and personal timetable generation will be dependent on the below factors:

1. **Is the course an open access course?** if yes, the student will automatically be put onto the lectures and a single group seminar (if only 1 seminar group).
2. **Is the course a control access course?** if yes, the student will see timetable once they have been offered a place and accepted this offer.
3. **Does the course have seminar sign up?** if yes, seminar will appear once student has selected a seminar group in LFY, if no, seminar will appear once department allocates student to seminar.

Postgraduate course allocation is co-ordinated by the academic department teaching the course.

Diploma personal timetable dates

From 10am Friday 22 September 2023

Diploma students use Graduate Course Choice (same as PGT) to select their courses.

PGT courses selected and allocation to teaching is the same as for PGT students

UG courses can also be selected. Students need to wait 24/48 hours after selecting a UG course for their timetable to update
