Allowances: Unlimited mins and texts, subject to fair usage policy set out in the terms and conditions.

Minimum Connection Period: 24 months.

Terms & Conditions

- ❖ Early termination fee of the line rental multiplied by the number of months remaining in the Minimum Connection Period at point of disconnect applies.
- ❖ Unlimited calls and texts are designed for normal person to person use only to UK mobile and landline numbers (01,02,03) and are subject to the following fair use policy: 3,000 minutes per user per month of landline calls, 3,000 minutes per user per month of mobile calls, 3,000 text messages per user per month, and no more than 300 different numbers dialled in a month. 0800/0808/0500/116 numbers are included, but other premium rate or special numbers are excluded.
- ❖ Out of bundle voice usage will be charged at the out of bundle rates set out on standard call charges page
- ❖ SIM Card is provided free of charge on all the tariffs
- ❖ Allowances cannot be shared across multiple connections. Any unused allowances cannot be carried over to the next month
- ❖ Out of bundle usage is charged at 5p/MB with a financial cap of £50 on additional usage on plans up to 8GB monthly data allowance and charged at 5p/MB with a financial cap of £200 on additional usage on the 16GB monthly data allowance plan
- ❖ If the Customer regularly reaches the out of bundle data spending cap, EE reserves the right to require the Customer to migrate to a tariff or data bundle appropriate to the Customer's usage
- ❖ Security terms apply – please refer to 'Security as standard' page
- ❖ No SLAs apply to this Service Offer
- ❖ Inclusive data is for use in the UK only
