## 20 Kingsway

## IMT Basement Space

### Design Team:

LSE Project Manager: Nicholas Garwolinski

External Project Manager: Fulkers

Architect: FBM Architects

M&E Consultant: MFP

Principal Contractor: Sykes & Sons

### Project Information:

Budget: £70,000

Area/Size: 55sqm

Construction Period: March to July 2015

The refurbishment of a dark, uninviting computer room has provided a test model for other PC/study spaces around campus. The project encompassed general refurbishment with infrastructure improvements.

New furniture and Apple computer products have been incorporated with bright décor and art work to create a bright and hopefully inspiring environment.
