

Lionel Robbins Building

Level 4 - Refurbishment

Project Information:

Cost Manager: Mortimer Isaacs

Budget: £2.898m

Area/Size: 1,817m²

Construction Period: July—October 2015

Design Team:

LSE Project Manager: Phil Newsham

Architect: Architecture PLB

Principal Contractor: Peak Contractors

Structural Consultant: Carter Clack

Services Consultant: CBG Consulting

The Lionel Robbins Building 4th floor has been refurbished to accommodate the PhD Academy.

The space includes a kitchenette, informal meeting and seating areas with a teaching/seminar room. Two silent rooms with the capacity of 144 seating, a group study area with 51 seats and an informal study area within the atrium. Those on this floor will benefit from two secure data rooms, two self service iRoam dispensers and newly refurbished WC's. The Academic Service Group Office and Financial Resources Zone are also located on this floor.
