Project Information:

Type: Refurbishment

Budget: £625,000

Area/Size GIA: 225sqm

Construction: December 2015 - April 2016

The requirement for a new staircase at the Department of Finance was initiated to improve circulation between staff offices.

The installation provided a link between the 3rd floor, Mezzanine level 3, and 4th floor level Academic offices located on the north side of the Old Building.

A structural opening and an interim landing for a new staircase was formed to link the three levels of the same building within the Department of Finance for better integration and communications.
