

## BICYCLE PARKING IN BASEMENT UNDER PANKHURST & FAWCETT HOUSE

**Design Team:** APLB Architects

LSE Project Manager: Phil Newsham

Principal Contractor: Sykes & Son Ltd

Cost Manager: Phil Newsham

**Project Information:**

Type: Minor Works

Budget: £50k (Cycle stands only, not showers)

Area/Size GIA: 200m<sup>2</sup>

Construction period: 4 weeks

Creation of a secure cycle parking facility in the basement area under Pankhurst and Fawcett House. The scheme includes 207 new Falco cycle stands, a maintenance stand and bike pump and new secure access gates to the area. A separate scheme to create 5 new lockable shower rooms and a dry room in the basement of Fawcett House has also been completed
