## Estates Division Old Building Refurbishment Project

### Façade repairs

The link bridge is now removed and the St Clement's scaffold has also been removed. The scaffold against the Old Building will be removed between 27 November and 8 December 2023, once the stone repairs have been completed.

### Refurbishment works progress

Works are progressing on level 3, 4, 5 and 6 behind the hoardings. You may notice workers moving from level 4, 5 & 6 to level 3 during their breaks.

Individual toilets on stair core A (the main stairs) from level 3 – 6 are currently out of service but will be back in service from 1 November 23.

Level 4,5, 6 works will be complete 4 December,. Following this the Dept. of Anthropology will move into the new premises, see architects visualisations of the spaces below.

We are forming new risers within stair core A from level 3 – level 6, you may notice some hoardings within these areas while the works are being carried out. These works will all be complete by 11 December.

Level 3 and 3M are under refurbishment. Part of level 3 will be complete by 8 January 2024. The remainder of level 3 and 3M will be completed in June 2024. Level 2M demolition will start on 30 November 2023 and the refurbishment works will begin in January 2024.

## Reporting Issues

If staff or students find any spaces that are cold, facilities that have no hot water or any building damage please report this via the Estates Helpdesk at Estates-Help-Desk@lse.ac.uk and the team will aim to prioritise these areas.

If you have any queries about the upcoming works please contact:

Francesco Biancelli—Principal Project Manager: f.biancelli@lse.ac.uk

Yours sincerely

Director of Capital Development
