

## 4.3 Business cards

Cards are usually printed in batches of 200 and are available to order from [LSE Reprographics](#).

### Staff

Staff requesting a business card must have permission from the budget holder in advance.

### Students

Research and master's students are eligible for a business card.

**Undergraduates are not eligible for a business card.**

### Front

Main LSE or departmental website address

Icons to indicate either main LSE or departmental social media presence (delete as appropriate)

### Other eligibility

**The following groups are not normally entitled to an LSE business card but may seek permission from the [Brand team](#):**

- Other academic visitors
- Consultants and independent contractors
- Academics teaching on short courses with primary loyalty elsewhere
- Occasional research assistants.

## 4.3 Business cards for LSE research centres and partnerships

The logo of an LSE research centre, other university or partner organisation must always be on the back of the card.

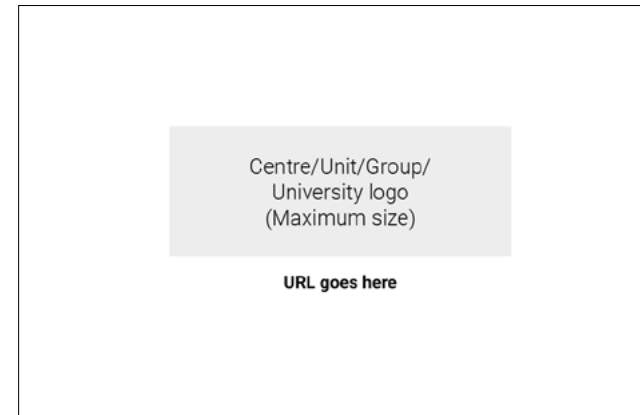

Include the logo, url and if required, a brief descriptor of the partner organisation.

Please supply [LSE Reprographics](#) with a high resolution JPEG, PNG, or EPS file of the partner logo.

### Front

## 4.3 Business cards for students

### MSc and research students

Research students can choose to have the current year of study on their cards.

The wording should be as follows:

Current year 20xx/xx.

Students wishing to do this must upgrade their cards annually.

### LSE MSc students on double-degree programmes

Students must show LSE Reprographics:

- Valid Student Card
- Certificate of Registration indicating that they are on one of the programmes listed on the LSE website showing the [current double degree programmes](#).

Please supply [LSE Reprographics](#) with a high resolution JPEG, PNG, or EPS file of the partner logo.
