

## **LSE-Georgetown University Research Seed Fund 2024/2025**

### **ANNEX B: GU Researchers - Eligibility and Allowable Costs**

#### **GU eligibility and procedure:**

- To be eligible, a research project must involve at least one researcher from each institution. Prior collaboration history is not essential.
- Current students, Emeritus faculty, and Visiting Scholars are not eligible to apply; however, they may participate in the project.
- Applicants must confirm that they have the full support of their host academic unit as part of their application. An award letter co-signed by the hosting unit lead will be required at award stage.

#### **GU eligibility and allowable costs:**

All full-time Georgetown Main Campus Faculty are eligible to serve as lead researchers. Teaching faculty should confirm with their Department or Unit Head that the proposed activity is consistent with their contractual obligations.

Allowable costs include travel, materials and supplies, research assistants, data and data collection, etc. Funding cannot be used to pay faculty salaries or other direct compensation. All Georgetown expenses must follow our policies for use of internal [Georgetown research funds](#).
