9. Waiting list

We make offers to anyone eligible who joins the waiting list as and when rooms or spaces become available.

We have waiting list priorities to determine who is made an offer first. We will process all applications in a priority group before moving on to the next.

In each category, those who have not been made an offer by LSE before for the academic year 2017/2018 will be made offers first:

- First priority – applicants and students with disabilities
- Second priority - New undergraduates and General Course students (including students who are on an Erasmus programme for the full academic year).
- Third priority - New graduates
- Fourth priority - Returning undergraduates
- Fifth priority - All others

10. Pastoral Support

Under the oversight of the Head of Residential Life, and/or their nominated representative, pastoral support in residences will be connected to other student support initiatives and roles at LSE. Other residential roles include:

Hall Committee members

Returning students elected to serve in a committee position will be offered accommodation for the year following their election only. Their place in the residence is subject to the approval of the Warden and/or School Resident.

Peer Support programme

Peer Supporters are recruited in Lent Term and trained in Summer Term (presently) with 30 hours of intensive development. Their appointment to this residential role is for one year only. For 2017/2018, the Peer Support programme number is proposed to be capped at 18 returning undergraduate or graduate students.
